Don't feel Powers
should get that back
part - he wasn't working
and was being well
fed - He didn't do a
good duty as our
pilot on commercial
planes - He's actually
with the people who
are making the air
a hazard for all planes
& myself will not
take a plane again
then we have the
billion spent on

Dear Mr. McCone, - Thank goodness you have cleared Francis Gary Powers of any blame for the U-2 incident. The Senate also gave him a clean bill of health. Why should he have committed suicide? I think he deserves being a hero, as much as the astronauts. You have restored some of my faith, in the cruel Washington fate, meted out to some one, who did not exactly coincide with their views. Mr. Powers also deserves a New York parade. The newspaper columnists, who castigated Mr. Powers, should be forced to apologize. One thing is sure, as long as Canada, England, the U.S. and other Countries, keep trading with Cuba, Red China, and Russia, we are sunk. Congressman Glenn Lipscomb has the right idea. He is fighting this

trade, but the old U.S. keeps sending them goods and dollars,

Dear Mr. Pres

In my Book.

I do not like a
C-word - C-word

In other words Powers
is still a C-O-W-R-D

I am an ex 91
